

Gaylord National Resort & Convention Center Signature Retail

- ❖ **Urban Chic:** Since opening the doors of her Georgetown location in February 2004, UC founder Lindsay Buscher has been featured prominently in *Cosmopolitan*, *In Style*, *Allure* and *Teen Vogue* magazines. Described as both "upscale" and "fashionably girly," this trendy women's boutique boasts a clientele list that includes Nicole Kidman, Eva Longoria and Cameron Diaz. From sophisticated fashion accessories to casual denim, Urban Chic features a stylish line of products from both established and up-and-coming designers. And with a wide range of sizes, Urban Chic combines a distinctly feminine feel with ready-to-wear convenience.
- ❖ **The Williamsburg Shop:** Housed in a red-brick, two-story building in our main atrium, The Williamsburg Shop resembles a Colonial-era mercantile. The shop features gifts, collectibles and items for the home and garden, plus seasonal merchandise and gifts for children. The Colonial Williamsburg Foundation operates 24 stores, and has a cooperative venture with The Williamsburg Shop at Gaylord National, as well as the world's largest living history museum in Williamsburg, VA--the restored 18th-century capital of Britain's largest, wealthiest and most populist outpost of the empire of the New World.
- ❖ **Pajama Party:** Fun, yet upscale, Pajama Party encourages guests to indulge in the nightly ritual of bedtime. Customize a gift box for a special someone. Or, have your purchase monogrammed, laundered and delivered to your guest room in time for turndown. What better way is there to enjoy a restful night's sleep than in your new personalized pajamas? Located in the main atrium, Pajama Party also has gift tags for any occasion.
- ❖ **Strictly First Glass:** Fire is the heart of what it takes to make glass, and fire breathes life into the craft of art-glass. This contemporary art-glass retailer evokes a personal and rather emotional response through the beauty and vibrancy of glass as a sophisticated art form. Also available are glass-based jewelry selections for women and men's dress accessories, such as cuff links and pens.
- ❖ **Key Provisions:** This 24-hour sundry shop supplies all your basic travel necessities. In addition to gifts, toiletries and a light assortment of snacks, Key Provisions carries replacement USB cords, casual clothing, metropolitan newspapers and national magazines.
